Our Search For Freedom

50-51

It all started our year of 50-51 at the Reelsville High School. Our leader was Mr. Luther B. Mann, with the assistance of Mr. Alward, Mr. W. Koile, Mr. Richard Marksbarry, Mrs. Bamburger, and Mrs. Thomas.

We Bill Amers, Joe Collins, Retta Barnett, Bill Cox, Jack Cox, Audrey Dobson, Russell Gardner, Bob Girton, Barbara Jones, Web Kendall, Arthur Kirk, Phyllis Neese, Robert Taylor, Shirley Ward, Sharon White, and Jack Young. We gained two strays through out the year which were Ruth Matherly and Shirley Wright, but left soon afterwards. Our gang of 16 decided by the way we were being shoved around just too much. Our Fight For Freedom was upon our Shoulders. We had three search parties ahead of us.

51-52

Over a rest period of four months we started out again in the year of 51-52 to start another search party concerning the gang, which was the same gang as last year except Bill Amers who joined another party and Joe Collins which dropped out completely. We still have same leader but new assistants, who are Jane John, Mrs. Thelma Sutherlin, Mr. Ralph Owen, Mr. Charles Griffith, Mrs. Olive Kirk, and last but not least Mrs. Roxie Rentschler, Mr. Griffith who got dishearted and left us at Christmas, with Mr. Hurst taking his place. We thought maybe that this would be a chance for the gang to gain a little of our lost and unselfish freedom, for which we were, all striving for. With our chins up and our shoulders to the wheel we managed to get through this years party.

52-53

During this vacation trip we just lost one member of our party, which was Sharon White. She decided that a mew search for freedom was in sight for her and got married in December of 52.

Four old assistants went out and four more replaced by Mr. Gilbert Hassler, Mr. Woodie McBride, Mrs. Olive Kirk, and Mrs. Betty Aker. We had a narrow escape but finished striving for another search. We did not want to give up so we started for another search again in the fall of "53". We were hoping that our "SEARCH FOR FREEDOM" would be ended by the spring of 54.

53-54

With our vacation over and a New School in sight we hope to find the end of our dream "OUR SEARCH FOR FREEDOM" with a new leader, Mr. Donald Cooper and Two New Assistants Mr. Bob Gray and Mr. Carl Foreman, Mrs. Sutherlin came back for a second year. Along with the old assistants, Mr. Gilbert Hassler and Mrs. Olive Kirk, Mrs. Roxie Rentschler, With cooperation from one and all we made a great gain during our four long trips of "OUR SEARCH FOR FREEDOM" which was founded in the spring of 54. We now aim to fight just as hard for our future. We lost one member in January, which was Russell Gardner. We sure miss him.

Prophecy

I took a tour of the States to meet some of my old school friends and the following is what I saw:

When I boarded the plane for New York I recognized the hostess as Audrey Dobson. We talked for a while and I found out that she had never married but had traveled in almost every country. She said that just recently she had seen one of her old class mates in a movie and we must attend this Movie.

The Picture we saw was the re-release of the "Outlaw" starring Web Kendall, and co-starring Jane Russell.

Next day we went downtown to do some shopping and who should we run into but a star model, Phyllis Denny. She said she had been working in New York for several years, married, and has a little boy named Mike. We learned from her that Jack Young was now the head skater in the ice Capades now showing at the Hippodrome.

We left for Florida hearing that there we could see more of our School friends.

Hearing Jack and Bill were still in the Army, we decided to stop at Fort Bemming, Georgia. Practically the first person we saw was General Gerald Cox. We talked for a while and found that Jack had been married several years and now had two little girls. He told us where we could find Pvt. Darrell Cox. Seems as though Bill just couldn't stay out of trouble with the women, and even with the help of his brother he was constantly on K.P. He had not married yet as he just couldn't save enough money to support Two.

Hearing that the light-weight championship bout was to be fought at Miami the following night and Bob Girton would be trying to defend his title, we decided to stay over a few days. The next afternoon we went to a water show and who should we see but Barbara Jones, star of the show.

To finish our tour we boarded a plane for Nevada where we heard, Art Kirk was living. We inquired in the little town of Lee, Nevada and they said they had heard of a hermit by that name. We didn't get to see Art but learned most of the story from the town folks, He was planning on getting married and his girl eloped with another man.

Next day we went to Reno, planning on seeing another of our class pals. The last we had heard was Bob Taylor lived here. He had quite a bit of trouble since we had last seen him. We soon found out that through some big mistake in Bookkeeping that he couldn't find he was sent to prison for embezzeling, late the firm realized they had been wrong and he had been released, but never been able to get another job.

That was the end of our tour but there was still two class mates we hadn't seen. Both of these are out of the country. Retta Barnett, is a swimmer and is training to swim the channel. Shirley Ward, married a mountain climber and they have a small son, all of these are planing to climb the Highest Mountain in Switzerland.

Quite an interesting trip don't you think?

Can you imagine the Senior boys working on the annual?

Can you imagine Mr. Cooper not giving a Government Test?

Can you imagine the typewriter man not coming every other day?

Can you imagine the Senior Girls not trying to get out of class.?
